CHARITY TOURNAMENT

Details relating to this have recently been distributed. This is taking place as a team tournament format. All you need to do is find yourself a mixed partner and the committee will do the rest.

We will place you in a team with two other mixed pairs from different clubs. It will be fun so please enter. Tournament Date is Saturday 29th May.

It is our intention to run tombola and raffle so if anyone could donate any prizes, these would be gratefully received.

LEAGUE PHOTOCOPIER

The committee have decided that the photocopier is not cost effective and therefore would like to dispose of it. If anyone would like it please contact me at Fran@acdbl.co.uk. It is in working order but in need of a service. If anyone is interested then please get in contact, there is no charge however, a donation to this seasons charity would be gratefully received.

FINALLY

Please find attached the up to date league tables. Once these have been finalised I will forward them out to you.

I look forward to seeing you at the AGM, and remember that each club can have two 'Votes' at the meeting. The meeting is open to all League members so if you would like to see how things happen here is an opportunity.
